The School of Prophets is a school of development for those called to Christian Ministry, with an emphasis for those who are gifted in prophetic ministry. The purpose of this course is to strengthen the local church by releasing individuals to develop an ear to hear what the Holy Spirit is saying to the Body of Christ today and how to properly understand the prophetic. This is done through hands on coaching and impartation throughout the entire course.

### LECTURER

REV. DAVID THEOPHILUS LEE

David has a practical down to earth prophetic ministry. He travelled extensively to the nations ministering the word of the Lord with signs and

wonders. He heads up Destiny Centre, Singapore, an apostolic prophetic ministry training centre, to train, equip and release the saints to fulfill their destiny. David also pastors Destiny International, a family church under the International Church of The Foursquare Gospel, Singapore.
